“ Such a sweet soul gone to soon! You were one of my best friends growing up. I remember seeing our first ghost together with Austin. We were scared but, at the same time we wanted to investigate it. You always had a smile on your face and were always laughing. I know after highschool we got drug in different paths and I wish we could've kept in touch but, that doesn't change the fact I had a lot of good times with you. I will always cherish those and I'm glad you were apart of my life. My heart goes out to you and your family. I hope you find your way to your loved ones and Austin. Much love to you, love!
