“ My deepest condolences to the Family of James “Timmy” Kimbrell. Tim was a great friend to me and my family. He was always there when we needed him. He was a hard working man that loved his family and his beautiful grands. I loved to stopping by their house to visit and see that warm smile on his face. He would be fussing at that goat to STAY OFF MY CAR 😭!! He kept us laughing on many occasions. I will never forget the time he took my entire family out to eat dinner with his family. We have the best time. He was ready to plan the next outing! Cathy, you were very dedicated to Timmy and making sure he had the best care possible, never leaving his side. He loved you and it showed. He would give the world for his grands. They were his heart. He was my buddy and I loved Timmy dearly. He will be missed from driving the rollback with Kaleb by his side. His memories will forever live in our heart. Weeping may endure for a night but joy comes in the morning. God bless you all.
Love,
Joe and Cassandra Rutledge
