“ Fran and family,
I'm so sorry for your loss. No one should have to go through what you and your family has gone through. I know your father was a man of God and I hope that gives you some comfort. Please know your all in my heart and prayers.

“ I remember James as being one of the kindest,most gentle souls I have known. He loved God, his family and his country. The world was a better place for having James in it. I know that he is in heaven with his Mom,Dad, Brother Bobby and other siblings that have gone before him.

“ *He was always walking around, shaking hands and passing out peppermint candy. Just recently, thought I got a glimpse of him at church just the other day. He is surely missed.*
