“ *This man loved me like I was his own daughter. Never did he use the term “step” when he was introducing me to other people, he always just said I was his daughter. He did so much for me and loved my mama more than she had ever been loved before. He was a 1 of a kind man that is missed so very much. We lost him far too soon and every day I pray he watches over us. Forever in our hearts my sweet dad*
