“ Barbara and family

*Mother and I know that Junior has gone on before us to be with the ones who have made this journey before him. I'm sure by now he has seen his Heavenly Father. He has looked up all the family and is having a wonderful reunion.*

*This is a journey we all must take and some days as Mother told me once I am looking forward to going home .*

*Thank you for loving him and taking such good care of him.*

*We will always love you for this*
