“ Anyone who had the pleasure of knowing Janice, knew what a sweet, loving, devoted wife, mother, grandmother, aunt, sister, etc..she was. I was privileged enough to call her friend. I loved her then and still do. She always knew how to put a smile on my face, and she allways knew when something was wrong and made me talk about it. God definitely knew He was gaining a special angel last night.. This breaks my heart, but I know she is no longer suffering...
