“ *I am so sorry you are having to go through this Leanne, I wouldn't wish this pain on anyone. I so wish I could tell you the pain goes away, but really it only becomes bearable in time. Your mom was very lucky to have had you at her side through this while ordeal, so many times people don't take care or their parents when they are sick. I know that as hard as it was for me to see my own mom so sick, I wouldn't trade the times I was there taking care of her for anything! I love you and know that we are ALWAYS here for you, we are family, and that's what families do. ??*

“ To Leanne you are a Dear sweet friend, I thought the world of your mother and I know without a doubt that your mother loved you and your family. I watch you do everything you could for your mom. The love that you showed for her expecially the last year and a half was so selfless. Be proud and know that your mom was so great full for all that you done. She told me that I know that she didn't want to leave you but I also know that she was so tired. She was a wonderful person and a very brave and strong woman. I love you all forever your friend Cathy Kirkland
