“ Oh what a gem she was full of wise comments and laughter...I can hear her voice as I'm typing. A caretaker for her family a job she was so proud to do. A true friend she was to let you cry on her shoulder and keep your deepest secrets. Shane I didn't get to meet you and the family but felt like I knew you from all her stories. My brothers name is Shane and that's how our friendship started sharing our love of family. She loved you Shane, she loved the whole family..so proud of the grandkidswhat a tragic loss and I will forever have her and your family in my heart and in my prayers.
