“ I am so sad by the loss of such an incredible woman, but I know and find comfort that I will see her again in a healthy and heavenly body! Mrs. Jeanette was a huge support while Leah and I were on dance team together and if my mommy was late due to work, she rooted for me, too. She had hugs, humor and a shoulder to lean on whenever something might not have gone the best and her immense love for her girls, well, that goes without saying. She was light and so I lit a yellow candle for her. My love and prayers to the Stacey and Lewis families!!!
