“ *So sorry for all of you at Jerry's passing. But cannot help rejoice in the knowledge he is happy, healthy, and whole with his Savior. We will miss him. He was a wonderful man. I remember when he came into our Sunday School class he would not take a seat until he had walked around and shaken everyone's hand.*

“ We went to school together with the Parkers at Lipscomb. Then years later when we built in the Tannehill area, we had built about 1/2 mile from his family. Fast forward the years and our Granddaughters went to Flint Hill and played volleyball together. He was always a soft spoken man when I was around him. The last time that I saw him was after the senseless murder of his grandson. My heart went out to him and his family and it again goes out to his family. Payers for you all, Kathy Baggett Herring.
