“ *I know you are in a better place surrounded by peace, comfort and love.*

I remember how much you detested horses when I was young and you had to help catch mine when they escaped to Coleman lakes. You grumbled the whole way home 😊 then later in life, you understood the love of horses and collected more of them than I could have ever dreamed of having. Karma has a way of coming back to you 😊

I heard you chuckle. I will see you on the other side
