RJ

“ We have known John for many years and considered him to be a fine friend. He worked as a Mortgage Broker in Real Estate and helped us by providing loans for a number of people wanting to own a home. We could always rely on his word. He was always a kind person and enjoyed going to church as often as he could. We know that he is at rest now and hope that he will be blessed in heaven and will find wonderful happiness there.
Ron Jacobs and Becky Wilson.
