“ Jim and Johnnie were my neighbors for 27 years. Could not ask for better people. I have missed Jim these last 4 years and now I will miss Johnnie just as much. My condolences to their family.

“ *You will not know just how much I will miss my sweet friend, Johnnie. We had gotten to know each other over the last few years. I regret that we did not become acquainted sooner. Johnnie was one of the sweetest people and we could solve a lot of the world's problems when we would converse over the phone. She truly loved her girls and her grandchildren. Please know that there is an emptiness I feel for the loss of my sweet friend. Prayers for Johnnie's family and God Bless.*
