“ My amazing neighbor. A woman of many talents who certainly loved life and jumped in it with both feet, always giving 100%. Not a lazy bone in this girl's body! During these last couple of years in the toughest of times I found her to be focused and optimistic, facing each day with determination and tenacity. Never heard her complain, not once. Gay always exhibited love and grace and I was shamed often by her shining example. I am so blessed to have had her for my sweet neighbor and friend. May our Loving Heavenly Father wrap His Strong Arms around her family and loved ones today and in all the days that follow. May we all draw comfort from knowing she is safe in His care.

“ You were the only "sister" I ever had or wanted. I have so many memories of you that I can't think of only one good one to share. Yesterday dad took me out shooting and I looked up and saw a hornet's nest and couldn't help but laugh. I will forever love you and cherish all of my memories of you. Rest easy my sweet friend, you are finally at peace. I love you.

“ *Gay was the most amazing woman. She had a heart of gold and was always quick to lend a helping hand. I don't know how we would have pulled my daughters wedding off without her help. Gay was a fighter, she endured a lot of pain in her life. She is in a better place now and she is free of pain at last.*
