

## Kandra Weathers

May 4, 1969 - December 29, 2024

Susan Kandra “Kan Kan” Weathers went home to be with the Lord on December 29, 2024 at the age of 55. Our beloved mother and grandmother is survived by her mother Peggy Sims, her three sisters Krystal, Monica, and Heather and her three children Myrisa, Maygan, and Brayden. As well as her six Grandchildren Kaicelynn, Daxden, Huxtyn, Layden, Klaideance, and Waylon. Kandra was preceded in death by her father Larry Sims.

Kandra was born in Birmingham, Alabama on May 4, 1969. She graduated from McAdory High School and continued her education at Shelton State Community College where she got her degree as a Registered Nurse. She fell in love with patient care and has worked as an RN alongside side many friends and family throughout her career!

To know Kandra was to love her and her loud contagious laugh. She was a strong woman who loved to travel and dance. She indeed was the life of the party no matter where she went. She loved so deeply, seeing everyone for who they truly are and cherished them entirely.

“ *This is so hard to believe !! I met Kandra through my son who went to school with her and also good friends ! I had the pleasure of working with her at Long-Lewis in the office. We were in the Long-Lewis corporate office located in the Ford dealership ! She was a very smart young lady and we got along so good . She was not only my co-worker but a very dear friend that I loved as if she was my own child !! My heart is breaking over the loss of her !! God be with her Mom, daughters and her grand babies during this difficult time !! I love you sweet girl !! Praying for all !!*
