Karen was born in Birmingham, Alabama on November 6, 1964.

Karen worked for 10 years at BellSouth Telecommunications, Inc., in Birmingham, Alabama as a Legal Secretary and she retired in 1997. She possessed a wonderful, kind, and loving personality. Once you met here, you became her friend. Once you became her friend, it was easy to love her. And she was loved so much by so many. She was devoted to her family with her passion being that of raising her 3 boys, Joey, Tony and CJ. She supported them in all of their endeavors, especially their baseball careers. They were her life! She was a fine athlete playing both softball and volleyball. She enjoyed photography and created beautiful memories through her photos. Spending time with her circle of dear friends was so valuable to her. She also cherished her trips to the casinos with her dear mom, Caroline. Her black Lab, Bruno, was very special to her as well.

Karen is survived by her parents, Sam and Caroline Tamburello, brother Anthony Tamburello, husband Greg Pollet and sons Joey, Tony, and CJ.

We extend a special thanks to her doctors at Brookwood Medical Center who took good care of her.
