“ Hi, this is Pete Kunowski from Freedom Branding in San Diego California and I've known Kathy for almost 30 years. She was a great client who always enjoyed getting magnetic football schedules, pens, hats, lip balm, key chains and more and I'm sure a lot of you reading this were on the receiving end of her giveaways. We became good friends and always shared stories about our families and I will truly miss our conversations. I offer my most sincere condolences to her family and friends and she will always be in my prayers.

I know Kathy loved the Tide way more than the Tigers but got their schedules for her clients that liked both and I'm sorry I uploaded the wrong schedule photo but it won't let me switch it out. Sorry Kathy.
