“ *Kelsey and I had just recently gotten close we were both do excited about starting nursing school together, we even carpoled most of the time. It's completely heartbreaking so know that you are gone, but I know in my heart that this is gods plan for you. You were absolutely the sweetest girl I have ever met. You are so beautiful, with an amazing smile and a smile that would make anyone around you smile. I want to thank you for brightening up my life, even if for just a short time!*

“ *I remember Kelsey being my first friend in the neighborhood. I remember coming over and going through the woods and playing outside with her. Though through our high school years we really didn't talk much. I still remember those days. Kelsey was a beautiful girl inside and out. It is very tragic that her life was taken so young. I praying for the family of both victims. This was something no parent or family should go through. Kelsey will be greatly missed by so many. She impacted so many lives with her beautiful smile. God got one beautiful angel! With Payer, Megan*
