“ Mike, you popped in my mind today. I was remembering your birthday was on the 6th. , but, couldn't remember exact month. So, I had to look you up to settle my mind. So sad when it was your obituary I found. We had such good times at Greenwood Schools. You were a dear Friend to me. Life happens and we loose contact, but, I'll be ever thankful for your friendship. RIP Dear Friend.
My sincere condolences to the Langston family.

“ Mike is the gentlest soul I have ever known and I have thought of him often for years. His loss will be felt by all of us forevermore but I know we will meet again in heaven and his parents were there to meet him along with Jesus.
