“ Ken was a great man and REALTOR. Sorry for your loss, I just found the obit. I enjoyed talking with Ken and always spoke to him when seeing him after leaving the Real Estate business. Sweet soul. I pray for peace and comfort for you and your Family.

“ Amy,  
*My heart goes out to help hold you up through this. I know how deeply you care about family and Ken was your "other half". Please know that Nick and I will keep you in our prayers for strength and comfort during this time. Also know that every time I see a hummingbird, I remember Ken.*

“ *You were a gentle soul my friend and your smile brought joy and comfort to all blessed with seeing it. I enjoyed our time on the football field, but most of all, our time quietly walking the woods in search of game. You were always one I could count on and I tried to be the same for you. You will be missed by all and thought of often. You paid your dues and now have earned your wings. Fly high my friend! We will see you again by and by. God bless family and friends and ease the pains of loss.*
