“ My brother has fought a long battle with cancer. I love him so much & I loved spending time with him..We had lots of fun as kids. Sometime we got in fights & he always won. We know he is in heaven with all his family that went on before him. I will always treasure the time I spent with him since April 21st. We had a lot of special time talking & sharing things we did as kids. There is nothing like the time you spend with a sibling. God has another special Angel in heaven with him. I love & miss you my precious brother. Tell Mother, Daddy, Bobby, & Brian we will see them real soon.  
Your loving sister,  
June

“ Kenneth was a 1959 high school classmate... We all renewed our friendship after our 50th year celebration...He was always there to share some things of our years in class.. He was going through his treatments at this time but you never heard him complain....God Bless his wife & family....Always remember after everyone has gone back to their daily life routine.....God will be the one that remains with you through the long days and nights....Clara Spradlin Hegwood...

“ From the McAdory Class of 1959:

*“Afterglow”*

*I'd like the memory of me  
to be a happy one.*

*I'd like to leave an afterglow  
of smiles when life is done.*

*I'd like to leave an echo  
whispering softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.*

*I'd like the tears of those who grieve,  
to dry before the sun  
of happy memories  
that I leave when life is done.*
