“ Nesa the best memories I have was when you and Andy were little girls and I be staying with Linda when I'd be there for a few weeks with Charlene. You'd be jumping from couch to chair with big smile on that beautiful face and Andy with all her curls would be right behind you and poor Linda would be threading to call your daddy. Honey no matter how you felt you will be missed. Baby girl you don't have to run no more and I feel like your finally at peace. I will always love and miss you and that beautiful smile.
