“ Larry was our classmate, always had a smile, made everyone laugh. My kids always saw him at events and he would do magic and make balloon animals for them. He will be missed. My thoughts and prayers are with the family.

“ I went to school with Larry at Minor Christian. He was a few years older than me but we had some classes together. He was the class clown and always made me laugh. I would occasionally run in to him at a flea market or even Walmart and he would always come up to me and give me a big hug. Larry had a huge heart and will be greatly missed.
