“ Lawton, or LD as most called him, was the love of my life for twenty years. He fought many demons in his lifetime and was tired of the fight. I pray he has finally found peace. Lawton loved to read, it helped him to escape. One of his favorite authors was Louis L'Amour, and his favorite quote by L'Amour was "Today is all we have, tomorrow is a mirage that may never become reality." Go rest high now my love, you don't have to fight any longer. {If you or a loved one are having suicidal thoughts, please, I beg you, get help}.
