“ *Dear Rogers Family,  
I had the honor of knowing your mother for a few years she was a patient of one of the Doctors that I work for, she was such a sweet and caring lady she loved all of her children and grandchildren she would always make me feel as though I was part of her family with her stories and bright and caring gestures she will be missed a lot. My God give each of you peace and comfort not only during your time of grief but always.*
