

Leslie Anne Duhon

June 7, 1985 - June 29, 2021

Leslie Anne Duhon Jordan passed away on June 29, 2021 at the age of 36. She left behind a legacy built on love, compassion, laughter, and happiness. Leslie was born on June 7, 1985 to Walter and Linda Duhon. She attended Homewood High School and graduated in 2003. Leslie married the love of her life, Jesse Jordan, on November 3, 2018. They were together for a total of nearly 13 years. They were a perfect match that rivaled any great romantic relationship.

Leslie loved children and was a teacher to many little souls over the years. She was very good natured and could understand a child in a way that most could not. Children would always run to her and feel comfortable in her presence. Even though Leslie has left this world, her spirit will be carried forward for eternity through a host of children, friends, and family.

Leslie had a passion for life and people. She was always ready for any adventure that life would bring her way. She was strong and cared for her parents in every way possible. She always saw to it that they had, as well as anyone else she loved, what they needed. Her memory will live on through so many. She will be greatly missed. Her passing has left an enormous void in so many lives and we will learn to move forward without her physical presence, but we will carry her in our spirit and know she is present for every major event in our lives as well as the quiet moments.

Leslie was a beautiful soul and Heaven just got a little sweeter. We know our sweet Walter was waiting to greet her. They are both happy and healthy and

beautiful. We take great comfort in knowing we will see our precious Leslie again one day. She will be waiting, along with Jesus, at Heaven's gate and we will embrace in a long-awaited hug.

Leslie Duhon Jordan is preceded in death by her father, Walter Duhon. She is survived by her husband, Jesse Jordan, her mother Linda Duhon, her brother Daniel Duhon, and nieces and nephews Cyprus, Christian, Chloe, and Carter Duhon.
