“ *W.H. was a good friend of my father, James Sipe. I remember one time around 1969 that he and Liesa came to visit at our house. I had a reel-to-reel tape recorder and tried (unsuccessfully) to get Liesa to speak into the recorder. She was very shy and sweet, always smiling. I remember what a sweet girl she was and have always remembered her fondly. I am so very sorry for your loss. She was such a wonderful, shining example of a Christian woman. Deborah Sipe Kizziah*

“ *I first met Liesa and her parents back in the late 1970's. What a very special family. Liesa and her dad, W.H., shared a love of Boston Terriers with me. Liesa was one of the sweetest young women I've ever known. Heaven has gained another angel. I know her folks are rejoicing over their special heavenly reunion. The earth and our community is a sadder place without her. Thank you Lord for the blessing that Liesa has been for so many.*
