“ I am so sorry to hear of Linda's death. I remember having lots of good times with her when our children were little. We used to take the kids to the park on Overton Road and have a picnic lunch while we were there. We also celebrated our birthdays together a few years, along with two other friends born in January. I haven't seen Linda in many years, but am so sorry to hear of her passing. Your family will be in our prayers.
