“ Sending prayers for comfort, strength, and peace for the Carroll/Smitherman family. Mandy was a beautiful person inside and out. I'll always remember her beautiful long blonde hair and her beautiful smile that would light up the darkest of rooms. Fly High Sweet Mandy. May you Rest In Peace until we meet again.

“ Even though we were never the closest of friends in high school... I will always remember Mandy she always had big beautiful smile on her face that would light up the darkest room... I remember her long beautiful blonde hair... She had a beautiful personality inside and out... She was always nice to everyone... Always happy and bubbly... I never saw her get mad and never heard her speak a bad word about anyone.. she was an angel on earth and now she's an angel in heaven... Fly High Mandy... May you Rest In Peace Mandy until we meet again. Sending prayers for comfort and peace for her husband and 2 beautiful girls as well as the rest of her family and friends.

“ *Mandy was a fighter. I first met her during my first year of teaching. I heard from a colleague that she had Stage IV Colon Cancer. However, that did not stop her from being a stellar mother to her daughters. For the next two years following, I had the honor to nurture and teach her beautiful, loving daughters. I saw a lot of Mandy's personality through her daughters. Through Savannah, I saw love and kindness. Through Maddy, I saw determination and liveliness. Mandy will be missed by all; however, her legacy will carry on!*

“ I am positive everyone that visits will have more memories than this page can hold. Mandy was one you couldn't be around and forget about something crazy she done. She gave goofball a **WHOLE** new meaning. This is one kid that when you made her a friend, you had her for life! She will be greatly missed, until we see her again! Just remember, all of the little dots in the sky aren't stars. Some are peep holes...
