“ *Lisa showed me Texas, I loved every minute of it. She was my tour guide. I would come for a visit a Lisa would plan a trip. I can honestly say it didn't matter where we went or what we did because I was hanging out with Lisa. It was bound to be a good time. Thank you Lisa ! I have lots of memories to pull from when I get to missing you! From orgasamic porkcops to margaritas as big as your head! Love ya girl! Still hard to believe you are gone! I will miss you terribly and love you forever!*
