“ I first meet Stubby on the UT practice field and in a short time we became good friends. I spent more time in his apartment than I did in mine. We lost touch over the years and I regret that very much. He was one of the best ,and one of a kind. Rest in peace my old friend, you are missed by a lot of people

“ In high school, Locksley experienced broken bones, one after another. But he was always happy and glad to see friends. I never understood how he could stay so glad about life, but he was. May he know God's joy forever. -Dan Griggs

"Stubby" was a VERY close friend from college at UT and AFTERWARD. We spent a LOT of time together going to music events and had a LOT of friends in common. We stayed in touch through Facebook and anytime I was in B'ham performing he would show up. Sail on, old friend. You will be missed.

Locksley was absolutely one of my favorite cousins. Our family depended on him so much for his faithful work on keeping the family history updated and available to each of us. I share my sympathy with Ellen, Landon, Katherine, Madison, Anna, and sisters Anne and Tonye. Thank you Locksley for all you meant to us.
