

## Logan Thomas Muir

November 30, 1992 - October 1, 2024

Logan Thomas Muir, 31, of Helena Alabama, passed away unexpectedly on October 1, 2024. His family is deeply saddened and shocked by his sudden death due to a car accident the month prior. He seemed to be fine, even cutting the grass the day he passed, but a clot went to his lungs and ended his life despite heroic efforts by the Helena Fire and Rescue team.

Logan had the biggest heart and brightened our lives with his big smile, he was such a sweet and caring soul. While he had struggled, he had more strength than anyone we knew and overcame many obstacles. He fought until the last day he lived, planning a better future, and spoke of wanting a family of his own. Logan will be missed by all who knew him. May God rest and keep his soul until we see him again.

Logan attended Cahaba Heights Community School and Vestavia Hills High School. His interests included spending time with his friends, skateboarding, and skimboarding. Logan previously worked as a Store Associate at the Walmart on Highway 31 in Vestavia. Logan leaves behind his brother Forrest Muir, two nieces Mila and Madeline Muir, his grandparents Carol Kelley, Larry Kelley, Glenn Tinney, and his parents Lori and John Muir.

A memorial service is planned for Saturday, October 12th at McCalla Memorial Funeral Home located at 4780 Letson Farms Parkway, McCalla,

Alabama. Visitation begins at 10 am and the service at 11 am.

“ Logan with his brother Forrest at his wedding. They were a devious pair as children. Climbing fences as toddlers, both barely out of walking shoes, were climbing the locked chain link fence together....making stunt contraptions at 4 and 6,, and doing death-defying stunts on bikes and skateboards together by 8-10...putting the blow-up pool filling it with water on the trampoline, jumping in it and giggling all day. They kept me busy, and I'm so thankful to have had such a busy loving home with my children.

“ Logan was an "old soul" from birth. He was such a happy baby that my husband once said, "if you can promise me they'll all come out like him, we can have as many as you want."

“ Every other hour I have an overwhelming urge to try to call Logan to see where he's at, make sure he's safe, and ask what time he'll be home. And then I realize he's gone, he'll never answer again, and I feel so empty, my heart aches, I'm having palpitations. My heart is broken,

Logan's Mom.

*Our Logan loved catching wind wherever he could, I imagine him surfing the clouds to heaven on his longboard with the wind always in his hair, flying towards the light of God where he will keep him warm and safe until we meet again. I love you, Mom. You cared so much for my boys and did so much for them. Logan loved you dearly.*

“ Logan was always a very kind person to me - even since elementary school. When I moved back to town in 2021, he was one of the first people to reach out to me. My whole heart goes out to his loved ones.
