“ Louise Miller, a mighty saint of God, best friend, wonderful mentor, personal pastor, the most loving spiritual mother. Her heart was for God, her husband, children and for all of those that were blessed to have her in their life. The seeds she has sown continue to grow in the many lives she touched.

“ You Mother was one of the greatest people that ever lived on the face of the earth. She was a blessing to me and everyone else whom she was in contact with. She was a very Godly woman and loved her Lord with all her being. Prayers are with you all during this dark hour but we will all see her again soon!

“ About Louise, God answered her prayers mightily, and everyone knew that. Her loving heart embraced many people in her life. I’m not exactly sure how, but she never ran out of love. I would say she was tapped into the Source of Love. One of the best compliments I have ever received was when Louise asked me to pray for her. I never would have known Louise if my son, James, had not married her granddaughter, Candy. I love you and will miss you, Louise, until we meet again.

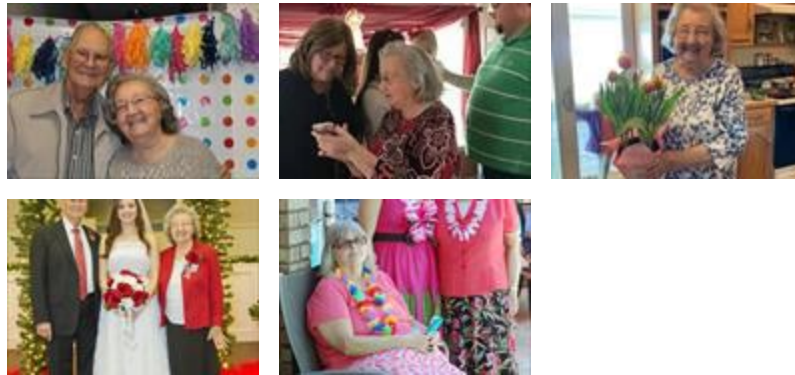

May God bless all she has left behind with sweet memories of this virtuous woman.

~“She speaks with wisdom, and faithful instruction is on her tongue.”~
