“ Dear Staci & Family,
I am very sorry for the passing of Lucy, a Mommy, Grandmommy,
Sister, & Aunt. My memories of meeting her are that she always had
a spark in her eyes & I know she loved all of you so much. Also, got
many laughs from her phone calls to Staci at work. I am praying for
your family and praying that you find comfort in knowing that she is
in a better place with no pain.

“ We will always remember our visits to the nursing home to visit Lucy. She was always fun to be around and enjoyed making my children smile. We would play games with her-she liked playing card games with us (always trying to win haha) and we would sing songs while Abby played the guitar. She would always be trying to get us to take her outside or home. I will always remember her sweet hugs and crazy personality. We loved her. Hope to see you in heaven one day Lucy!!!
