“ To the family of Lucy: Our prayers and thoughts are with all of you during this time. Lucy was a very good friend to Jack and me and she will be missed. I had recently stopped by to visit her but no one was there at the time. We just wanted to express our condolences to all of the family and let you know that we will continue to remember you in our prayers.

“ I am suppose to be sharing a memory but I couldn't think of just one.. my entire life is full of wonderful memories. From the day I was born and named after Aunt Ludell until now. So many vacations and holidays and everything in between.
