“ *When RC and Estelle first moved to Woodstock, I remember Estelle being afraid of that little , narrow , winding road, so when she pulled onto the dirt road she started blowing the horn!!! You could hear her coming a mile away but everybody got out of her way!!!!*

*Sorry for your loss...she had a good life.*

“ Dear Peggy and family:

*So sorry to hear of your loss. Your mother was obviously blessed with many grandchildren, great grandchildren and even great-great grandchildren. I'm sure she is missed by those she leaves behind, but through them, she won't be forgotten.*

*With my sympathies.*
