“ Margaret Ann it has almost been a year since you received your brand new body and started walking those heavenly streets of Gold. Oh what a time you must be having but oh how you are missed. There is not a day that goes by that me and Daddy are talking about you.

Something funny you had done.

My dear Precious Margaret Ann always know that besides your family you have been truly loved by me and my dad.

Enjoy heaven and we will see you when our time comes.

*Love you always and forever,
Stefani and Roy Jr.*
