“ *Psalm 90:10 states that a normal life span is 70 years but if because of special mightiness 80. Brannon certainly lived a long life and I'm sure was dearly loved by her family and friends. May you all find comfort and hope in our Heavenly Fathers promise to very soon bring about a changed condition to this earth where sickness and death will be done away with (Rev. 21:4,5) and there will be a bringing back to life instead of losing. (John 5:28,29)*
