“ I met my "Bud" years ago when we rode the casino bus to the Silver Star on Thursdays. It was a very difficult time in my life. Through her kindness, compassion, and laughter she helped me through it. She was also a guardian for the animals of the world. Heaven now has another angel. Our friendship endured through the years and she will always be my "Bud". God bless the family during this difficult time.

“ Dear Family, We just learned of Marie's passing. I have such fond memories of her growing up when I was really young and she was a young woman of about 25. I love the pictures you have shared. Please know that Katherine Waldrops's children are thinking of you and sending hugs and prayers. God Bless You! Pam, Beverly, Greg and Mike.

“ *My sincere condolence wishes to the entire family. Marie was a sweetheart and always had a ready smile and I never heard her say one bad thing about anyone. She was simply a joy to be around anytime. Once when my mom was sick in the hospital and I was sick and trying to work, she made me an evening meal that was not only delicious, but was one of those tiny blessings we never think about. Bless you Marie, and strength to Tom and the entire family during this difficult time.*
