“ Aunt Sue was the sweetest aunt. She was always kind to me as a child and an adult. She taught me what Pizza was as well as how to make it when I was about 6 or 7. Of course that made her number 1 in my book from then on. We vacationed together several times as well as going to the big horse show in north Alabama several years ago. I will miss her so much playing games and just being able to talk to her. I hope she knew how much I loved her and will always love her. You are all in my thoughts and prayers as you go through this difficult time. Love to all of you. Marsha Abbett
