“ *Praying for the family. My heart is sad. I married her brother Lewis and came into the family when Mary was very young. I loved her very much. She was a wonderful sister-in-law. She was one of the most talented women I know. Her art and paintings will leave a legacy. Mary over come many illnesses and health tribulations during her life time but she persevered. Mary had eleven brothers and sisters and now only one left. I know she is rejoicing in heaven with the ten already there. I know my husband, her brother Lewis is happy to see her. He loved her very much too. To Pete and the girls keep the memories close and you will get through this. Love you all.*
