

Mary Julia Magni

July 8, 1937 - January 1, 2019

Mary Julia Magni, Born on July 8th 1937 in Brooklyn, NY to John F Montenes and Mary J Guzowski. Mary was an amazing woman. She was married for 62 years to Leo Magni. She is survived by her 6 Children, Melody Magni, Leo Magni and wife Lynn, Dean Magni, and wife Debbie, John Magni, Scott Magni and wife Mary, and Rina Vance and husband Joe. She is also survived by 14 grandchildren, 17 great grandchildren and many bonus grandkids and great-grand kids. Together she and Leo created a Village! After going back to school in her 40's, she earned her masters degree and taught at the college in Beeville, Tx. She and her husband retired to Rockport in 2003. You could never get her to sit still and she continued working, because she wanted to. She ran her own book keeping business there and she also did odd jobs like working at Walmart – because she wanted to. She loved crafting and was quite an artist in her own right. She loved fishing. In 2014, she started having issues with dropfoot. The situation progressed, and she was diagnosed with ALS in Aug of 2017. This is a dreadful disease. She lost the ability to walk in May of 2018. In July of 2018 she moved with her husband to her son Dean's home in McCalla, Alabama where she was loved by many people. She was a warrior and rarely showed her down days. She was strong, full of courage, stubborn as all get out and loved everyone. And she will be missed.

“ *Seems like yesterday that Jim and I witnessed the marriage of Mary and Leo in 1956, Brooklyn NY. Mary became my Aunt that day. We lost contact for awhile but reconnected again. I enjoyed the visits and the phone calls we had. I'll miss you Aunt Mary. Always so positive and uncomplaining. I know my Uncle Leo will be lost without you. Love you. Give Jim a hug for me. I know you two will have many laughs. Love you. Always.*
