

Mary Lee McMillian

March 29, 1948 - September 20, 2023

On Wednesday, September 20th a little past midnight our Momma laid down her earthly burdens and received her heavenly rewards and was reunited with our Daddy.

She was born on March 29th 1948 to Lawrence and Margie Johnsey the sixth of eight children.

She married the love of her life, James on June 12th 1964. A union that lasted 51 years to only be separated by death. She was a woman of great strength and wisdom. Full of laughter and love for anyone she met. She loved to travel with her sister-in-law Becky. They made great memories together.

She was a wonderful Momma, Nana and just for Maddie "Grandma"! Her legacy leaves behind her daughters, Rhonda Hockersmith, Romona (Rick) Adams, and JoAnn Ingram. Grandchildren, Tristan Hockersmith, Lauren and Luke Baswell, Morgan Hockersmith, James Adams (Chandler), Chase Adams and Payton Adams and nine great-grandchildren, brothers and sister and numerous nieces/nephews.

Preceding her in death was her parents, four siblings, grandsons Trey Adams and Ricky Ryan, one great-grandchild, two son-in-laws and an entire McMillian clan. We would like to thank Centerwell Home Health for taking care of our Momma. Stephanie, Alyssa and Gayla were her angels and became a part of our family. Heartfelt thanks to Becky...our Momma loved you!

“ I just found out you're gone. You rocked my world when you came to work at Ebsco Media. You made every grueling day so much better! I pray you know I meant it every time I said I love you!

“ Aunt Mary Lee , you were my mama's rock when we moved here years ago. You and uncle James saw to it that mama and her girls were ok. Fast forward, me as an adult...you loved me. I have never felt a more sincere hug and kiss as you gave. My last one I got from you was few weeks ago. As I told you, "I've been worried about you, your response..."I've lived my life, you have alot more to go". I'll miss you forever

“ I sure did love you and you will be missed, I was so hoping that we could have had 1 more family gathering before you left us but it was not in God's plan. I know you had your family gathering when you went through those pearly gates of Heaven and reached our family that were there to welcome you home.

“ As long as I remember, I remember loving this woman. She was my babysitter when I was little, and I later became the babysitter for her babies. She always called me her "baby bird". She loved me, and I knew it, she had a way of letting you know that you were special to her, not just for me, but for everyone she loved. It always made me happy and warm to see her. It always felt like home. I will remember her always, and yes I will always be her baby bird. My prayers are with us all. Robyn

“ To anyone that knew my Aunt Marylee, knew what a great person she was. Was so loved. Boy could she make you laugh, as a child I remember how good she was to me and my mom and sisters, her door was always open to us, I loved her so much, just wish I had spent more time with her, I have so many sweet memories of her. Just want to say to Rhonda and Mona, try not to be sad, hold on to all your sweet memories, and know this is not Goodbye, We will see you down the road, love
