“ Mrs. Preston had such a dry quick wit George loved to kid with her because she would have a quick come back that made George laugh! One of the first times we spent much time with her was at one of Karen and Jimmy's garage sales. Mrs.Preston had many of her own things for sale that day that created room for a lot of humor! Like Karen said the other day - George and Mrs. Preston are in heaven having a big garage sale and having a ball! You are loved and missed! ~~~ Cynthia Moss

“ I loved Aunt Mary very much and was so disappointed to not get to come visit. I was glad Christy and them got to last year and sent me all those pictures. Love you all! May God bless and keep you tight in His peace!
