“ Melba and I were great friends from the 9th grade when she first came to the Bessemer school system. People once referred to Melba, Faye (Dickson McRee) and me as a threesome (but hopefully not the 3 stooges!) She was precious to me. Health issues had taken away her ability to be social but she loved us all much and I will always love her! Rest in peace, my dear friend!

“ My husband and I went to school and graduated with 1963 from Besseme High School. It has been years since I have seen Melba, I would have like to see her at least one more time. Was she sick long? We are so sorry for your loss. Our thoughts and prays are with all of you. My name is Jo Ann Johnson Crane and my husband is Wilburn O Crane. God Bless and keep you all.
