

Michael Robert Bentley

September 25, 1951 - May 2, 2015

Michael Robert Bentley (Mike) passed away at UAB Hospital in Birmingham, Alabama, on May 2, 2015. A Memorial Service will be held at Shades Mountain Independent Church, 2281 Old Tyler Road, Hoover, Alabama, 35226 on Saturday, May 16, 2015 at 2:00pm.

Michael was born in Stamford, England on September 25, 1951 to Freda Mary Bentley and Robert Hugh Bentley. He was a Senior Computer Analyst for HSIS at UAB Health System.

He is survived in death by his daughter, Victoria Ann Bentley, and her Mother, Melissa Ann Bentley; his sister, Sheila Giddings (husband Trevor), who resides in England with his loving nieces, nephews and friends.

Michael will be missed by his family and friends. The family requests in lieu for flowers, please make donations to the American Heart Association or the Birmingham Zoo.

“ Mike, You will be missed by many at UAB. You were always so kind for all of these years to be patient and take the time to answer complex technical questions to me with only my nursing background. I learned so much from your knowledge. My thoughts and prayers will be with your family at this very sad time. I am adding a picture of flowers that was sent in your honor from Forte Research which is also feeling your loss.

“ Remembering pints of beer, crusty bread and dripping, thousands of quizzes, winning trophies and many fun nights. Many thanks to Andy for bringing you to join our team all those years ago even after leaving British Shoe you drove 100's of miles from Bristol just to be part of our team. It was a pleasure to know you , an honour to be invited to your wedding and we were so thrilled on hearing you were going to be a 'dad'. Sorry you left us all too soon - a good mate never forgotten

“ Mike, you will be greatly missed. Little did I know when I moved to a workstation across from you, would we become friends, share family stories, and you'd help me with camera selection, and my monster Note 3. Who will I "keep up with" and provide me with techy information? Thank you for your generosity, sharing your camera, so I could capture memories of Michael's soccer/other events, and knowledge. I know you are in a better place, you will be missed, and I hope to see you again in the future. My prayers go out to your family, especially Victoria at this time. Now watch your little girl grow up to be a beautiful woman, with all her big plans for the future. Big hug, your friend, Linda Lum
