“ Mike worked for my Dad over in Germany for many years. They both bowled league for POL 1 team and the base team a few years as well as in the bowling masters. Mike was one of the few men that when he was with my dad no matter the situation my dad couldn't get mad just laugh at Mike's wit and pure southern charm. His laugh and smile were contagious. I'm sorry myself and my mom had been trying to locate Mike as we considered him family. I'm fortunate that when I was 10 was when I met him. He watched me grow up and join the Marines and used to try to smooth things over with my dad whenever I messed up. Which was a lot in my youth lol do my Dad and Mike spent many days out playing 18 at the Heidelberg GC or Rheinblick To help the Chief blow some steam. Mike left his mark with my family and will always be considered a member. Our thoughts and prayers from the Goodwin's go out to you.
