“ Joan and girls, I am so sorry to see this notice of Monroe's death. He was a good, caring man who supported and encouraged me throughout his time at Savannah Electric and beyond. He chatted with me briefly on Facebook about a month ago. I expressed he wanted to talk to me. I regret we never had that conversation.. The support he, you and your parents gave my family during a very difficult time is forever embedded in my memories. Lewis and I pray God surrounds you with his loving arms of comfort as you transition to life without him.
