“ *It is with a heavy heart that I post this message. The world is a little dimmer today because of the loss of a wonderful lady named Nancy Hiott. Her beautiful light has been taken from us. It is shining even more brighter however in Heaven where she is with her Heavenly Father and her precious Alaina. I cannot begin to find the words to comfort you and EJ. I've been told that 'time heals all wounds', but I don't know if you truly ever get over the loss of a loved one. I think by God's grace, we just learn how to deal with it. Please know that Gary and I are always close if you need us for anything.*

“ Eric,

*I simply don't have the words to express my complete sorrow and grief for the loss of a wife and mother as sweet and smart and beautiful as Nancy was for you and Eason. My spirits are low and my heart is broken. But as I assured you yesterday, I have complete faith in God that the many prayers being lifted up for you and Eason and your family will be heard, and you WILL come through this, and God DOES have a plan! I love you like a brother, and I'll never forget how you and Nancy have been a true friend to me.*
