“ Gene was one of the nicest people I have ever met. He always had a smile on his face and his heart was full of love for everyone. The world would be a better place had there been more men like him. Truly a child of the King and it was obvious to all who knew him.

To Linda and family. My heart goes out to you. You will be in my prayers as you move through this time of grief. May it be a comfort to know that he is with the King of Kings and giver of life. No doubt about that.

Prayers and love,

June Pridmore
